Building the World's Best Investment Management

Hiring: Chief Investment Officer

We are looking for a chief investment officer for the Monterrey Institute of Technology and Higher Education, headquartered in Monterrey, Mexico.

[ITESM](#) is a large, private, country-wide university system with a substantial endowment -- 25 campuses throughout Mexico, 60,000 undergrads, 94,000 total students, 10,000 faculty.

We seek an institutional investment professional with experience at a US endowment, foundation, or pension fund looking to move up to a CIO role.

The mission is to build out a fully diversified world class investment portfolio.

The position will be based at the university's flagship campus in Monterrey, Mexico. Spanish language is not an absolute -- everyone in administration speaks excellent English.

If you are interested or someone comes to mind, please let me know. I would love to speak with you.
